

Continuing Legal Education

ADR Systems offers complimentary CLE programs to law firms and businesses. Our CLE programs are thoroughly researched and developed by attorneys and practitioners of alternative dispute resolution. We update our programs frequently to ensure that the information we provide is current and useful to our participants. Most of our programs are 60 to 90 minutes in length, and we request a minimum of 15 participants per CLE session. All of our CLE's are approved for Illinois professional responsibility credit.

Our Meet the Mediator Program

In addition to CLE's, ADR Systems has recently introduced a "Meet the Mediator" program. ADR Systems' neutrals will visit your office for a less formal informational session. Attorneys can ask questions and familiarize themselves with the neutrals' styles. It is popular with firms that want a slightly different forum to interact with our neutrals.
