

UM&UIM Tri-Panel Arbitration Program

Features

Overview

Medical bills and legal fees resulting from a car accident can add up quickly. ADR Systems' UM&UIM Tri-Panel Arbitration Program offers clients a more cost-effective way to resolve their UM&UIM claims. We will help you through every step of the arbitration process, and provide you with a neutral arbitrator who has the right expertise to resolve your case as efficiently as possible.

Case Qualifications

- UM&UIM claims required to go to arbitration

Fees

- Neutrals' standard fee schedules apply

Notable Parameters

- Parties are not charged for the neutral arbitrator's review, conference, or decision time
- UM&UIM cases are put on a tracking system to ensure that they proceed quickly, reducing the case cycle-time
- Our case administration team will coordinate everything for you, including scheduling, generating contracts, and reminders and confirmations
- We will help parties tailor all aspects of their arbitration, including neutral arbitrator selection, level of confidentiality, discovery and e-discovery, motion practice, and evidentiary hearing
- Sessions are held at ADR Systems' dispute resolution center, a mutually agreed upon off-site location, or via video conference
- Additional facility or travel fees may apply for off-site locations
